

Modern Psychometrics for the Education Sector

Make it easy for your people to work well
together and increase performance

Challenges we help you address

The education sector operates under high pressure and constant change, making effective teamwork essential. C-me helps organisations overcome:

- ✔ **Lack of staff self-awareness** that can lead to challenging team dynamics
- ✔ **Communication breakdowns** due to poor communication skills
- ✔ **Misalignment of staff skills and targets** leading to inefficient teams

The Benefits

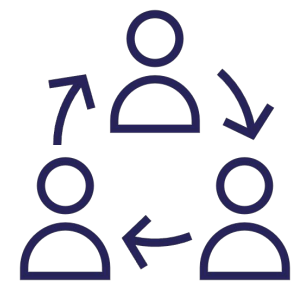

- ✔ **Focus on collaboration and results**
Give every person insights into their impact on others. Help them explore their own and others' preferred working style to improve working culture and productivity.
- ✔ **Reduce misunderstandings and conflicts**
Build a shared language that strengthens team cohesion and reduces conflict.
- ✔ **Enhance leadership effectiveness**
C-me equips leaders with the tools to motivate, manage, and communicate effectively in high-pressure situations.

Where C-me delivers impact

Hit tight deadlines & deliver better service

Identify and apply the right skills and behaviours at the right time.

More effective change management

Help support teams through times of change, and gain greater buy-in, with insights into communication preferences and personal motivations.

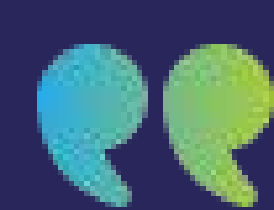

Diverse & high-performing teams

Empower staff to work to their strengths, celebrate differences, and improve overall team effectiveness.

US
UNIVERSITY
OF SUSSEX

C-me is a really important tool within our Organisational Development offer...the feedback so far has been really positive in terms of insight, awareness and future considerations and colleagues are eager to do more work in this area.

Sarah Engineer, OD Consultant, The University of Sussex
