

The Team Profile

Master team dynamics in minutes rather than months.

One place to understand your team dynamics

- Speed up team formation by helping your teams understand how each person prefers to work.
- Get insight into specific team strengths, and actions to transform team weaknesses.
- Find out how your teams handle stress.
- Predict how specific teams may react to future setbacks.
- Help support team performance through times of change.
- Gain a valuable measurement for tracking team development.

Results

90% Increase in self-awareness*

70% Increase in leadership effectiveness*

53% Increase in effectiveness of internal and external communications*

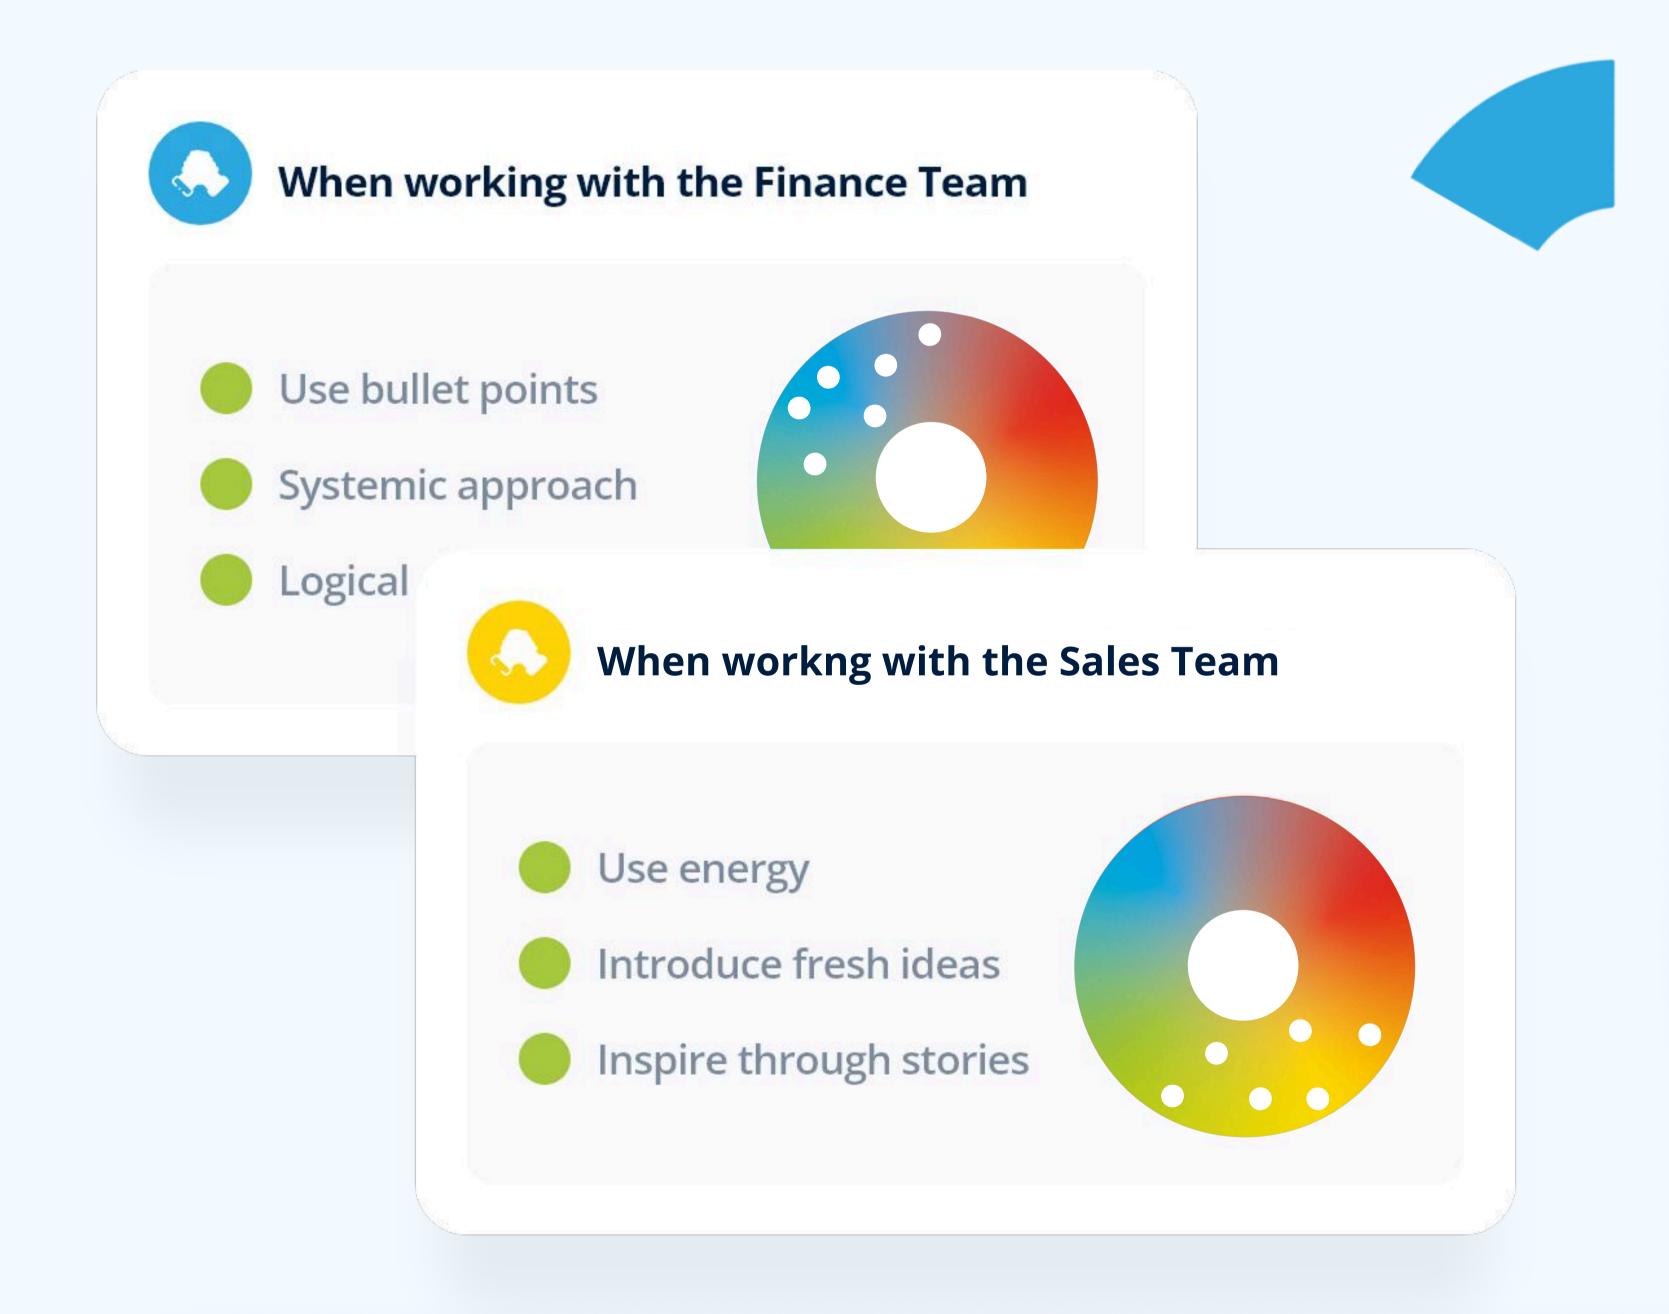

40% Increase in team performance*

Language options for administering our questionnaire and reports.

Our profiles boast a high accuracy rate, with the added flexibility for users to review and adjust the remaining 15%. This ensures that the final profile truly reflects the individual's unique characteristics. 85%+

*Reported by trusted clients working with C-me

Challenges we help you address

- Ineffective team communication
- Managers struggling to develop their teams
- Misaligned roles and strengths
- Difficult conflict resolution
- Limited measurements of training impact

Where the C-me Team Profile delivers impact

Stronger Team Collaboration

Provide teams with a common language for understanding behavioural differences, improving communication, and enhancing teamwork.

More Impactful Coaching & Mentoring

Enable leaders and mentors to provide personalised, behaviour-based coaching for faster individual and team skill development.

Conflict Prevention & Effective Resolution

Reduce workplace tensions by helping employees understand how to best communicate with each other and avoid unnecessary friction.

Measurable Learning Outcomes

Gain insights into how behavioural awareness translates into improved communication, collaboration, and performance across teams.

Burges Salmon

We pride ourselves on collaborating across departments, and C-Me allows us to enhance that process through a shared understanding of each other's working preferences.
