

WORKSHOP OVERVIEW

C-me Leadership Development Overview

Grow your authentic leadership style, increase your impact and strengthen the way your teams work together.

Who is this workshop for?

This workshop has been designed to help leaders grow their authentic style, increasing their impact and strengthening collaboration across their teams and the wider organisation. Leaders will learn practical techniques to harness strengths, unlock potential and empower others- creating alignment with culture, values and strategic goals.

What are the benefits of this workshop?

Taking part in this workshop, leaders will:

01 Build confidence in their authentic leadership style

02 Learn how to communicate vision more clearly and effectively

03 Identify and learn how to respond to different leadership styles

04 Develop practical techniques to engage, motivate and empower team members

05 Enhance core leadership skills to lead more effectively in different contexts

06 Work more collaboratively with other leaders, creating stronger alignment and shared direction
